Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self-supporting through our own contributions.

A.A. is not allied with any sect, denomination, politics, organization or institution; does not with to engage in any controversy, neither endorse nor oppose any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

Meeting Schedule

Is A.A. For You?
Only you can decide whether you want to give A.A. a try- whether you think it can help you. We, who are in A.A., came because we finally gave up trying to control our drinking. We still hated to admit that we could never drink safely. Then we heard from other A.A. members that we were sick. (We thought so for years!) We found out that many people suffered from the same feeling of guilt, loneliness and hopelessness that we did. We found out that we had these feelings because we had the disease of alcoholism
